- **Excellent package & career development prospects.**

• **Leaders in architectural precast concrete cladding and are constantly motivated to develop new products and technologies and offer a quality, sustainable service to our clients.**

We are now recruiting for the position of **BIM 3D Modeler**. This is an excellent opportunity to build on your career, by becoming an integral part of our engineering team.

Duties & Responsibilities:

- Relevant Architectural, Engineering or Construction Qualification.
- Minimum 5 Years' Experience (Precast Experience preferred)
- Experience using 3D BIM Environment via workflow
- Strong Detailing / modelling experience
- Technical and Practical Knowledge of The Building Industry
- Advance Knowledge of Ms Office, Excel, PowerPoint and Industry Specific Software
- Excellent Written and Oral Presentation Skill

- Ability to Work on Own Initiative
- Self-starter capable of delivering targets and deadlines

—

Necessary Requirements:

—

- This new role is for an BIM / 3D modeler with 5+ years' experience in the construction industry combined with a good working knowledge of the building regulations and construction details.
- Partnering with Engineers and modellers you will produce, within a 3D model environment precast concrete elements and associated items.
- Liaise with external design team members on a regular basis
- Production of 3D model files through Revit/Tekla
- Production of 2D co-ordination and installation drawings
- Ensuring that detailed model files are co-ordinated
- Attend the site as required to confirm drawings / model accuracy.
- Ability to prioritise workload
- Carry out other duties as directed by your manager
- Produce accurate, consistent, and professional records, reports, and general information.
- Support the completion of the associated external facade works in accordance with the Program.
- Ensure work is carried out to the highest of quality and safety Standards.
- Manage buildability issues related to the external envelope.

This is an excellent opportunity for a self-starter, highly motivated individual, within a dynamic, ambitious and market leading company. An excellent remuneration package will be available to the right candidate. Suitable candidates should forward across an updated CV in confidence for the attention of Nick Barker @ nick.barker@oradeo.com or call me on +353 1 6877188 or 087 7209723. For further information, please see our website.
