BIM Technician | Dublin

- Market leading construction company with significant annual turnover
- Established list of existing clients across Ireland and the UK with over 90% repeat business
- Great working culture
- Prestigious projects across multiple sectors

Oradeo Recruitment is currently recruiting for a **BIM Technician** on behalf of one of our clients who is a market leading specialist engineering construction company. The company are specialising in the design, manufacture, and supply of **specialist** products to the UK & Irish construction markets. The company is headquartered in the Dublin area, with regional offices in the UK.

This new role is for an BIM Technician with 5+ years' experience in the construction industry combined with a good working knowledge of the building regulations and construction details.

Responsibilities:

- Partnering with Engineers and modellers you will produce, within a 3D model environment precast concrete elements and associated items.
- Liaise with external design team members on a regular basis
- Production of 3D model files through Revit/Tekla
- Production of 2D co-ordination and installation drawings
- Ensuring that detailed model files are co-ordinated
- Attend the site as required to confirm drawings / model accuracy.
- Ability to prioritise workload
- Carry out other duties as directed by your manager
- Produce accurate, consistent, and professional records, reports, and general information.
- Support completion of the associated external facade works in accordance with the Program.
- Ensure work is carried out to the highest of quality and safety Standards.
- Manage buildability issues related to the external envelope.

Necessary Requirements:

- Relevant Architectural, Engineering or Construction Qualification.
- Minimum 5 Years' Experience (Precast Experience preferred)
- Experience using 3D BIM Environment via workflow
- Strong Detailing / modelling experience
- Technical and Practical Knowledge of The Building Industry
- Advance Knowledge of Ms Office, Excel, PowerPoint, and Industry Specific Software
- Excellent Written and Oral Presentation Skill
- Ability to Work on Own Initiative
- Self-starter capable of delivering targets and deadlines

For more information about this BIM Technician opportunity, contact Eavan McCallig at Oradeo Recruitment confidentially on +353 1 687 7188/+353 86 385 1651 or apply in confidence.
