Cladding Supervisor | Denmark

- **Leading construction company with projects around Europe**
- **Denmark Based Role**
- **Bespoke Projects**

Oradeo Recruitment seek an experienced **Cladding Supervisor** for a client to be based in Denmark. The successful candidate will be working on a prestigious Data Centre project.

Oradeo Recruitment's client is an International construction company which has gained significant experience across a wide section of construction sectors including commercial, industrial, data centre, pharmaceutical or power generation on both public and private tenders/projects.

Duties & Responsibilities:

- Oversee a team of on-site employees & subcontractors to ensure the projects works are of sufficient quality standard, delivered safely and handed over on-time.
- Manage the safe and effective usage of on-site resources and materials.
- Manage the delivery of the company's high standard of quality; ensuring no corners are cut.
- Manage the implementation and adherence to of Quality management System; including environmental concerns.
- As the Cladding Supervisor, ensure Pre-Appointment and co-ordination meetings are held with all Sub-Contractors
- Regularly meet and liaise with Project Managers and Contracts Managers

on site; delivery progress updates

- Represent the company's interests on site and represent company standards

Necessary skills and requirements:

- 5+ years experience in a similar role
- Experience of working on Data Centre/Pharmaceutical/large commercial projects
- Experience dealing with Architectural precast facades would be a distinct advantage.

For more information on this Cladding Supervisor role or similar opportunities, please contact Declan Duggan at Oradeo Recruitment on +353 (0) 1 6877 188 /+44 (0) 845 643 4964
