Contract Surveyor | Dublin

Excellent opportunity for a Contract Surveyor to join one of Ireland's premier contractors on a variety of projects in the Dublin Area. Be a part of an important Infrastructure project within experienced; establish commercial QS team with an extensive background in successful delivery. This firm offers excellent opportunities for career progression along with a very competitive remuneration package.

Duties and Responsibilities:

- Liaising and reporting to the Project Director and the Contracts Manager.
- Liaising with the Design Team to ensure requirements and specifications are met.
- Develop and maintain relationships with Client Representatives to support the activities and maintain positive relations on behalf of the company.
- Representative of the company at all relevant site and other meetings.
- Reviewing tender enquiries and tender analysis for projects.
- Estimating and tendering for projects in conjunction with Head Office QS Department.
- Negotiating new projects with price premiums which are cost effective.
- Subcontract purchasing and monitoring of packages on site.
- Monitoring of contract charges and notification to sub-contractors.
- Sub-contractor re-measurement, interim and final account payments.

- Compiling the variation log and signing off on variations with Project Q.S.
- Final account preparations.
- Cost monitoring and reporting while attending all monthly cost reporting meetings.
- Cash flow forecasting for projects and issuing monthly reports to accounts.

Necessary Requirements:

- A Degree in Quantity Surveying or construction economics.
- 5 years' plus experience as a Quantity Surveyor within the building sector in Ireland/UK is desirable.

For more information on this Quantity Surveying role or other Construction roles contact Declan Duggan on +353 16877188.
