

# Contract Surveyor | Tier One Contractor | Germany (Frankfurt)

## Contract Surveyor | Tier One Contractor | Germany (Frankfurt)

- Lead commercial and contractual delivery on high-value construction and civil engineering projects
- Join a leading international contractor with a strong reputation for project excellence
- Excellent package with career progression, relocation support, and professional development

Oradeo is seeking an experienced Contract Surveyor to join a tier one contractor on data centre projects in Frankfurt, Germany. This role is responsible for supporting the commercial management of projects, ensuring accurate valuations, contractual compliance, and effective collaboration with project teams and subcontractors. The successful candidate will contribute to commercial strategy while ensuring efficient delivery of all financial and contractual aspects.

### Contract Surveyor Responsibilities:

#### **Project Commercial Management**

- Prepare and submit monthly valuations in line with contract requirements
- Assist in the day-to-day commercial management of projects
- Support the processing of tender packages, including requesting quotes from suppliers and subcontractors
- Develop a deep understanding of project financial requirements and contractual strategies
- Ensure commercial and contractual aspects are delivered efficiently and accurately

#### **Collaboration & Communication**

- Work closely with project teams, supply chain partners, and stakeholders to support project delivery

- Build and maintain strong working relationships across the wider project team
- Provide input and guidance on commercial and contractual matters to support project objectives

#### **Necessary Skills & Requirements:**

- Relevant third-level degree in construction, quantity surveying, or related discipline
- Minimum 5 years' experience, preferably with a main contractor
- Previous project experience in construction or civil engineering projects, including pharmaceutical and data centre projects
- Excellent interpersonal and communication skills
- Strong IT skills, including commercial and project management software

#### **Desirable:**

- Experience with international projects or working in a multinational environment
- Familiarity with digital tools for commercial management and reporting
- Professional membership of a relevant body (e.g., RICS, CIOB)

#### **Package & Benefits:**

- Competitive salary and benefits package
- Company vehicle or travel allowance
- Relocation support (where applicable)
- Company laptop and phone
- Pension, life insurance, and income protection
- Continuous professional development (CPD) opportunities
- Access to lifestyle benefits including Bike to Work scheme, Employee Assistance Programme, and Sports & Social Club
