Contracts Manager | Dublin & Cork

- Tier 1 Main Contractor with Strong Pipeline
- High-Profile Building & Mission-Critical Projects
- Excellent Package & Senior Leadership Role

Oradeo Recruitment is currently seeking a **Contracts Manager** on behalf of a leading Tier 1 Main Contractor for major building and data centre projects. This is a key strategic position responsible for the full project lifecycle and leadership of multidisciplinary teams across large-scale developments.

Key Responsibilities:

- Take full accountability for the successful delivery of projects across scope, schedule, budget, quality, and safety
- Lead and develop high-performing project teams, ensuring optimal resource utilisation and team motivation

- Drive project delivery from pre-construction through to completion, working closely with internal departments and design teams
- Oversee site operations, design coordination, commercial performance, and programme management
- Maintain high standards of health, safety, and environmental compliance across all project phases
- Implement operational best practices and identify synergies to improve project efficiency
- Represent the contractor in key client meetings and maintain strong relationships with stakeholders
- Ensure contract and legal compliance in line with company and industry standards

Requirements:

- 10+ years of experience in construction, including a proven track record as a Contracts Manager
- Extensive experience delivering high-value, large-scale projects with a Tier 1 contractor
- Strong knowledge of construction contracts, commercial terms, and project management principles
- Excellent communication, negotiation, and leadership skills
- Familiarity with local and international H&S and construction regulations
- Ability to lead multidisciplinary teams and manage stakeholders at all levels
