

# Contracts Manager | Dublin

## Contracts Manager | Dublin / Leinster Region

- Established construction company delivering large-scale commercial and residential projects
- Excellent package with scope for professional growth
- Opportunity to work on high-profile projects across Leinster

---

### About Oradeo

Oradeo is an international recruitment and project services consultancy specialising in the delivery of mission-critical construction projects across Europe. We work with global blue-chip clients and tier-one contractors to provide high-quality staffing, project support, and professional services.

We are currently recruiting a **Contracts Manager** to join a growing construction team based in Dublin / Leinster, supporting the delivery of large-scale projects.

---

### Role Overview

The Contracts Manager will be a senior member of the project management team, leading project delivery, ensuring adherence to time, cost, and quality targets, and managing all contractual aspects of the project. This role requires strong leadership, commercial awareness, and the ability to drive operational excellence across multiple projects.

---

## Key Responsibilities

- Lead the project delivery team with full accountability for all aspects of project execution
- Deliver projects on time and within budget, with a comprehensive understanding of the project plan and financial controls
- Collaborate with the design team on design, procurement, and installation phases
- Drive a culture of safety through the implementation of safe working practices aligned with company H&S standards
- Implement operational initiatives to improve efficiency, capture synergies, and promote best practice across projects
- Manage project resourcing to ensure the right level of competence, commitment, and motivation
- Develop, retain, and identify future talent to support business growth and succession planning
- Monitor compliance with contracts, legal requirements, and industry standards throughout project delivery

---

## Candidate Requirements

- Proven experience as a Contracts Manager in construction, managing large-scale projects
- 15+ years' industry experience
- In-depth knowledge of construction contracts, legal terminology, and project management principles
- Strong negotiation, analytical, and problem-solving skills

- Excellent interpersonal and communication skills
  - Familiarity with relevant laws, regulations, and industry standards
  - Leadership experience with the ability to motivate and develop teams
- 

## **Package**

As a permanent employee, you will benefit from:

- Competitive salary and company vehicle
  - Relocation allowance where applicable
  - Company laptop and phone
  - Pension, life insurance, and income protection
  - Continuous Professional Development (CPD)
  - Access to lifestyle benefits such as the Bike to Work scheme, Employee Assistance Programme, Sports & Social Club
-
