Electrical Quantity Surveyor | Dublin, Cork, Switzerland

- Tier 1 Main Contractor with Strong Industry Reputation
- Major Commercial & Mission-Critical Projects
- Excellent Package with Long-Term Career Opportunities

Oradeo Recruitment is currently seeking an **Electrical Quantity Surveyor** for a market-leading international contractor with projects across **Ireland and mainland Europe**. This is a great opportunity to join a high-performing commercial team delivering complex data centre and mission-critical developments.

Key Responsibilities:

- Manage the electrical cost elements of high-value construction projects from pre-contract to final account
- Prepare and evaluate tender documents, contracts, budgets, bills of

quantities, and other documentation

- Perform cost control, forecasting, and reporting duties throughout the lifecycle of the project
- Assess and value progress claims, variations, and subcontractor payments
- Work closely with engineering, procurement, and planning teams to maintain accurate cost reporting
- Support the commercial lead in contract administration and negotiation
- Ensure compliance with company commercial processes and client requirements
- Attend project and client meetings as required, both in Ireland and internationally

Requirements:

- Degree qualified in Quantity Surveying, Construction Economics, or a related discipline
- 4+ years' experience as a Quantity Surveyor, preferably with electrical or M&E package exposure
- Experience working on mission-critical projects (e.g., data centres, pharma, advanced manufacturing) is desirable
- Familiarity with standard forms of contract including NEC, FIDIC, or similar
- Strong commercial acumen, analytical skills, and attention to detail
- Willingness to travel or relocate to Switzerland for project-based roles
- EU passport or right to work in Ireland and Switzerland preferred

How to Apply:

Apply directly through our website or send your CV in confidence to recruitment@oradeo.com

About Oradeo:
