

Finishing Foreman job in London with Tier 1 Main Contractor

- Market leading Tier 1 Main Contractor with significant annual turnover
- Excellent salary with heaps of additional benefits along with clear scope for career development
- Family Friendly & Flexible

Oradeo Recruitment is currently recruiting for a **Finishing Foreman (ideally from a trades background)** to work with a market leading international Tier 1 Main Contractor based in London. The successful applicant will have the opportunity to work on a multitude of exciting and large projects across multiple facets of the industry. An excellent package will be on offer to the right candidate.

Oradeo Recruitment's client is an international Tier 1 Main Contractor operating across the UK, Ireland and Europe with a broad portfolio of successfully completed projects across a range of sectors including Residential, Restoration / Refurbishment, Hospitality, Commercial, Industrial, Healthcare and Pharmaceutical dealing with many high profile blue chip clients.

Duties and Responsibilities of the Finishing foreman:

- As a **Finishing Foreman** you will be tasked with the management of tradesmen and apprentices under your control
- Reporting on Progress and Quality to the Project Manager
- Identifying any possible hold ups/issues that may affect project progress
- Safe control of all site based operations
- Ensure all tasks on site are completed in line with company and client procedures and specifications
- Ensure all sectional 'sign off' sheets are completed in accordance with company procedures
- Coordinate the delivery of materials in accordance with program requirements
- Liaise with Clerk of Works/Project Managers
- Ensure that all persons working under your control are suitably trained and skilled
- Ensure that tasks are carried out in the most efficient manner possible whilst maintaining the utmost standards of quality control and achieving

optimum results for the project

- Manage snagging of a section of works
- Keep an accurate site diary
- Manage the Permit to Work system, ensuring all permits required are issued before work commences and that permits are closed out accordingly
- Ensure compliance with all Fire, Traffic and Health & Safety Plans
- Ensure that all accident/incidents/near-misses are reported
- Ensure that all workers under your supervision utilise correct PPE and work in accordance with site Health & Safety regulations

Necessary Skills & Requirements:

- Have a minimum of 5 years' experience in a Finishing Foreman role on large scale projects in the UK
- Ideally you will come from a carpentry trades background
- Have a sound and demonstrable knowledge of construction techniques
- Ability to organise/manage groups of multi-national trades
- Knowledge of standards and specifications
- Excellent organisational, planning and time management skills; able to manage projects simultaneously without compromising on standards and quality
- Good communication skills
- Confidence and ability to manage sub-contractors
- Flexible and dynamic
- Self-driven, results-orientated with a positive outlook
