

Foreman | Leading Contractor | Limerick

Foreman | Leading Contractor | Limerick

—

- Key role overseeing site operations on active construction projects
- Join a reputable contractor delivering high-quality builds across Limerick
- Strong pipeline of work with excellent career progression opportunities

Oradeo Recruitment are seeking an experienced Foreman to join a leading contractor in Limerick. This role is ideally suited to a confident site professional with strong leadership ability, responsible for managing day-to-day site activities, coordinating trades, and ensuring projects are delivered safely, efficiently, and to a high standard.

Foreman Responsibilities:

—

- Manage day-to-day site operations and supervise all trades on site
- Ensure all works are completed safely, efficiently, and in line with drawings and specifications
- Coordinate subcontractors and direct labour to maintain productivity and workflow
- Monitor progress, identify potential issues early, and report to the Site Manager
- Maintain high standards of housekeeping, safety, and workmanship on site
- Keep accurate daily records, including site diaries and progress reports
- Support the wider project team with planning, sequencing, and site logistics

Necessary Skills & Requirements:

—

- Minimum of 5 years' experience in a Foreman or General Foreman role
- Strong knowledge of construction methods, site management, and health & safety requirements
- Proven ability to lead, coordinate, and motivate site teams effectively
- Excellent communication and problem-solving skills
- Ability to read and interpret technical drawings and ensure works meet specifications
- Valid Safe Pass and relevant site tickets required
