Health & Safety Manager – Main Contractor (EMC).

Health & Safety Manager – Main Contractor

Overview:

Health & Safety Manager with Main Contractor – Oradeo Recruitment are seeking a Health and Safety Manager. Our client are one of the largest and most successful main contractors in Ireland with a portfolio of projects across a multitude of sectors across the country. This role will see you based exclusively on Dublin based projects.

The Role:

As a Health & Safety Manager, you will be responsible for health and safety on projects across various sectors and sites within Dublin; commercial, residential, hospitality, education, industrial etc. Operating within an established support network and liaising closely with a Health and Safety Manager you will assist in driving health and safety standards. Certified environment- ISO 9001, 14001, OHSAS 180001.

You Will:

- Ensure Health and Safety remains a priority across building sites
- Maintain company's high health and safety standards
- Perform site audits and implement new procedures

- Update Organisation’s Safety Statement in compliance with current regulatory requirements
- Perform risk assessments and recommend improvements
- Records incidents and accidents whilst creating analytical data for senior management
- Remain abreast new legislation and maintaining a working knowledge of all Health and Safety Authority (HSA) legislation
- Execute Site inductions and refresher courses
- Act as a company representative during outside Agency Audits/Inspections with regards to Health and Safety
- Attend regular site meetings
- Strive to consistently improve the health and safety culture

You Should Have a:

- Formal qualification in Health & Safety – 3rd Level is preferred
- A minimum of 6 years Health and Safety experience – ideally with a main contractor
- Previous experience in ISO 9001, 14001, OHSAS 18001 accredited environments
