## H&S Lead| Dublin/Kilkenny/Limerick

- Large Main Contractor turning over in excess of €200 Million Annually
- Excellent remuneration and salary on offer
- Career Progression Opportunities

**Health and Safety Lead** – Oradeo Recruitment are looking for a Health and Safety Lead to join one of Ireland's top 10 main contractors in either Dublin/Kilkenny or Limerick. As a Health and Safety Lead you will be responsible for health and safety on projects across various sectors within Ireland; commercial, residential, hospitality, education, industrial etc. Manage a team of Health and Safety Officers within a certified environment; ISO 9001, 14001, OHSAS 18001 and lead by example in driving the company's exemplary health and safety standards.

### **Duties and responsibilities:**

- Develop, monitor, implement and audit Health and Safety procedures and policies across the business
- Update and maintain Health and Safety procedures and the Organisation's Safety Statement in compliance with Regulatory requirements
- Carrying out risk assessments and considering how risks could be reduced
- Keeping records of incidents and accidents and producing statistics for senior management
- Keeping up to date with new legislation and maintaining a working knowledge of all Health and Safety Authority (HSA) legislation and any

developments that affect the industry

- Provide Training; Induction, Refresher and Manual Handling Training as required
- Represent the Company during outside Agency Audits/Inspections and liaise as required with the Health & Safety Authority
- Co-Ordinate the Health and Safety committee for all sites and ensure regular monthly meetings
- Improve the health and safety culture, through training and awareness campaigns
- Any ad-hoc duties that may arise

**Necessary skills and requirements:**

- Third Level education in Health and Safety or related discipline is required
- A minimum of 3 years Health and Safety experience
- Qualification in manual handling instruction would be an advantage
- Experience in leading and carrying out Risk Assessment
- Previous knowledge of OHSAS 18001 and ISO 14001 systems
- Ability to deliver training modules to all levels of the Organisation to include, first aid, manual handling and fire warden training

**For more information about this role or others, contact Tara Ryan at Oradeo Recruitment confidentially on +353 1 687 7188 or apply in confidence.**
