

MEP Planner | Dublin

MEP Planner | Leading Main Contractor | Dublin / Leinster

- One of Ireland's top Main Contractors with a diverse project portfolio across multiple sectors
- Permanent position based in **Dublin / Leinster region**
- Excellent package and genuine scope for long-term career development
- Opportunity to work on large-scale, high-profile projects in Pharma, Industrial, Data, Healthcare, and Commercial sectors

Oradeo Recruitment is currently seeking interest for an experienced **MEP Planner** to join a **market-leading international main contractor** headquartered in Dublin and operating throughout Ireland and Europe.

This is an excellent opportunity to work with one of Ireland's most successful and forward-thinking contractors – a company recognised for its commitment to quality, innovation, and continuous improvement across all sectors including **Pharmaceutical, Industrial & Data, Healthcare, Residential, Commercial & Retail, Fitout, Refurbishment &**

Restoration, Tourism & Leisure, and Education.

MEP Planner Responsibilities:

- Prepare detailed contract and project programmes, and produce ongoing monthly progress reports.
- Monitor progress trends, outputs, and resources across multiple projects to support continuous learning within the planning department.
- Complete all scheduling and reporting requirements for tenders and live projects, ensuring the highest standards are achieved.
- Work closely with the project delivery team to provide support on all planning and scheduling activities.

- Develop and maintain strong collaborative relationships with the wider project team, subcontractors, and stakeholders.
- Undertake short- and medium-term planning reviews to identify risks, anticipate challenges, and implement mitigation strategies.
- Analyse and challenge construction methodologies to drive innovation, efficiency, and best practice across all projects.

Necessary Requirements:

- Third-level qualification in **Engineering, Construction Management**, or a related discipline.
- Minimum **5+ years' industry experience**, ideally with a recognised main contractor.
- Proven project planning and scheduling experience within the **construction or civil engineering** sectors.
- Proficiency in **Primavera P6, Microsoft Excel, and Microsoft PowerPoint** is essential.
- Strong analytical, organisational, and problem-solving skills.
- Excellent communication and interpersonal abilities, with the capacity to work effectively in a collaborative environment.

Package:

- Competitive salary and benefits package.
- Company vehicle or travel allowance.
- Relocation allowance (where applicable).
- Pension, life insurance, and income protection.
- Continuous Professional Development (CPD) and career advancement support.
- Access to lifestyle benefits including the **Bike to Work scheme, Employee Assistance Programme, and Sports & Social Club.**
