Project Director | London & Sweden

- Tier 1 Main Contractor with Strong Pipeline
- High-Profile Building & Mission-Critical Projects
- Excellent Package & Senior Leadership Role

Oradeo Recruitment is currently seeking a **Project Director** on behalf of a top-tier main contractor, for high-profile **mission-critical** and **commercial developments** in **London and Sweden**. This executive-level position is ideal for a senior construction leader with experience in delivering complex, high-value projects across the UK and Europe.

Key Responsibilities

- Lead the full project lifecycle from pre-construction through to handover on major builds
- Drive commercial, technical, and programme delivery across multiple workstreams

- Act as the primary client interface, ensuring alignment with commercial goals and project objectives
- Provide strategic leadership to on-site teams and support functions, ensuring high performance and collaboration
- Ensure compliance with all safety, quality, and regulatory standards
- Manage stakeholder relationships, design development, and subcontractor engagement
- Oversee project budgeting, cost control, and risk management
- Develop and implement project execution plans, resource strategies, and performance KPIs
- Contribute to business growth, pre-construction strategy, and client retention efforts

Requirements

- Degree qualified in Engineering, Construction Management, or similar discipline
- 10+ years' experience in senior project roles with Tier 1 contractors
- Proven track record delivering large-scale data centre, commercial, or life sciences projects across the UK/EU
- Excellent leadership, stakeholder management, and communication skills
- Strong commercial acumen and contractual knowledge (e.g., FIDIC, NEC)
- Willingness to travel between the UK and mainland Europe as required
- EU/UK passport or right to work across both regions

What's on Offer

- Executive-level package including salary, bonus, pension, and benefits

- Long-term project pipeline across the UK and Scandinavia
- Opportunity to shape and lead landmark projects with a Tier 1 contractor
- Supportive culture focused on excellence, collaboration, and innovation
