

Project Manager | Dublin

Project Manager | Dublin

- Work with Tier 1 Contractors on major commercial and technical projects
- Excellent career progression opportunities into senior management roles
- Competitive salary and benefits package
- Exposure to high-value projects across mission-critical sectors

Oradeo Recruitment is seeking applications from experienced **Project Managers** to join one of our leading clients on major construction and engineering developments in Dublin. This is an excellent opportunity to manage high-profile projects for blue-chip clients within a stimulating, fast-paced environment.

Purpose of the Role

To manage projects from conception through to completion, ensuring delivery on time, within budget, and to the highest standards of quality, safety and client satisfaction.

Duties & Responsibilities

- Develop and update construction programmes with the Contracts Manager, ensuring key milestones are achieved
- Provide technical leadership to the project team, offering coaching and mentoring as required
- Determine project staffing requirements and communicate effectively with all team members
- Implement company safety systems and ensure a strong safety culture
- Manage project quality across the full lifecycle, ensuring build quality meets expectations
- Ensure project costs, prelims and packages are tightly controlled

- Collaborate with the commercial team to achieve agreed commercial objectives
- Maintain positive relationships with the client team, providing updates on claims, delays and progress

Candidate Requirements

- Third-level qualification in Engineering, Construction Management or a related discipline
- 5+ years' experience managing complex construction projects, including new build and fit-out
- Experience working in design-and-build environments
- Proven ability to plan and successfully deliver complex projects
- Strong technical capability with excellent numeracy and report writing skills
- Excellent communication and stakeholder-management skills
- Strong commercial awareness with the ability to propose value-driven solutions
- Proficient in MS Office and project scheduling tools

Career Progression

Our client provides a well-structured professional development pathway with ongoing mentoring. High-performing Project Managers can progress to **Senior Project Manager, Contracts Manager, Associate Director**, and ultimately **Projects Director** level.

Remuneration

A competitive package is available, which may include:

- Basic salary
- Pension and life assurance
- Healthcare
- Car allowance or company vehicle
