

Quantity Surveyor (MEP) | Data Centre Projects | Germany (Frankfurt)

Quantity Surveyor (MEP) | Data Centre Projects | Germany (Frankfurt)

- Support commercial management and delivery on high-value data centre projects
- Join a leading international construction contractor with a global reach
- Competitive package with career development and international exposure

Oradeo Recruitment are seeking a Quantity Surveyor (MEP) to join our client's Data Centre team in Frankfurt, Germany. The successful candidate will assist the commercial and construction teams to ensure successful project delivery, manage subcontractor relationships, and optimise commercial outcomes while mitigating risk.

Quantity Surveyor (MEP) Responsibilities:

- Prepare detailed cost estimates, project budgets, and financial reports for MEP projects
- Conduct regular valuations and produce accurate cost analyses
- Collaborate with project managers, engineers, and clients to optimize cost control measures
- Manage tender documents, procurement, and contract administration
- Identify and manage potential risks, variations, and change orders
- Ensure all work is compliant with industry standards and regulations

Necessary Skills & Requirements:

- Bachelor's degree in Quantity Surveying, Engineering, or a related field.
- 3+ years of experience as a Quantity Surveyor with MEP focus on Data

Centres.

- Proficiency in cost management software and MS Office.
- Strong knowledge of MEP systems and construction processes.
- Excellent analytical, communication, and negotiation skills.

—

Desirable:

- Experience with large Design & Build projects
- Knowledge of claims, dispute resolution, and contract law
- Experience controlling traditional contracts or supervising Assistant Quantity Surveyors
- Experience with contracts valued above €/£15m

For more information about this Quantity Surveyor (MEP) opportunity or similar senior construction roles, contact Oradeo Recruitment confidentially on +353 16877188 or email recruitment@oradeo.com
