## **Reinforced Concrete Foreman**

Oradeo is an international human resource solutions organisation which specialises in the provision of managed groups of skilled and unskilled labour to blue chip clients throughout Europe within the Civil Engineering & Construction, Mechanical & Electrical, Oil & Gas, Warehousing and industrial sectors.

Oradeo is presently recruiting on behalf of one of their clients who are a large international contractor, an experienced Reinforced Concrete Foreman to work on a contract basis on various sites in Northern Europe covering the following responsibilities:

### **Duties & Responsibilities:**

- The Concrete Supervisor ensures that the crew complies with site rules and regulations while monitoring their work quality and progress
- Undertakes method statement, risk assessments, toolbox talks and other safety controls
- Coordinates activities with other contractors/trades onsite

- Collaborate with clients, suppliers and other stakeholders to ensure all aspects of the project proceed as planned
- Responsible for the planning of material delivery and needs
- Maintaining site records
- Keeping track of variations and additional out of scope works

**Necessary Requirements:**

- Suitable candidate will come from a trades/engineering background and have 5+ years' experience in a similar role
- Comprehensive knowledge of, and experience with all aspects of RC casting.
- Ability to plan daily/weekly work tasks
- Leadership and management of crew and subcontractors on site
- Commitment to finishing tasks on time, to budget and to the highest standard
- Good comprehension of construction plans
- Solid understanding of Health + Safety legislation
- Valid VCA Safety Cert

**This is an excellent opportunity for a self-starter, highly motivated individual, within a dynamic, ambitious and market leading company. An excellent hourly rate will be on offer with additional benefits. Interested candidates should forward their CV along with salary expectations to [trades@oradeo.com](mailto:trades@oradeo.com) in confidence. Please see [www.oradeo.com](http://www.oradeo.com) for further information on our company**
