Senior EHS | Tier One Contractor | Dublin, Ireland

Senior Environmental Health & Safety Advisor | Tier One Contractor | Dublin, Ireland

- Senior EHS Advisor opportunity with a leading international construction contractor.
- Take responsibility for implementing and monitoring EHS standards across major construction projects.
- Permanent position offering a competitive salary, company vehicle or travel allowance and an attractive benefits package.

Oradeo Recruitment is seeking an experienced Senior Environmental Health & Safety Advisor for a leading construction contractor based in Dublin. The successful candidate will play a key role in implementing the company's EHS Management System, promoting a positive health and safety culture and ensuring compliance with company standards and industry best practice across site operations.

Senior Environmental Health & Safety Advisor Responsibilities:

- Responsible for the implementation and monitoring of the company's EHS Management System on the project.
- Promote a positive Health & Safety culture on site, working closely with site management, contractors and workers.
- Monitor EHS compliance across the site and carry out regular inspections.
- Prepare and issue weekly EHS inspection reports, highlighting areas for improvement and any non-compliance.
- Develop and maintain strong, collaborative working relationships with the wider project team.
- Influence, support and coach the site team in implementing best-practice

EHS standards.

Necessary Skills & Requirements:

- Recognised EHS degree or diploma, with a NEBOSH Diploma or equivalent qualification preferred.
- Minimum of 8 years' experience in Health & Safety roles.
- Previous construction industry experience is preferred.
- Strong knowledge of EHS management systems, site compliance and safety procedures.
- Ability to prioritise workloads and manage multiple tasks effectively.
- Strong IT skills, including proficiency in Microsoft Office and database applications.
- Excellent communication and interpersonal skills.
- Strong team player with the ability to collaborate effectively with site teams, contractors and other stakeholders.

Benefits:

- Competitive salary.
- Company vehicle or travel allowance.
- Relocation allowance, where applicable.
- Company laptop and mobile phone.
- Life insurance and income protection.
- Continuous Professional Development (CPD).
- Access to lifestyle benefits, including Bike to Work scheme, Employee Assistance Programme and Sports & Social Club.
