Senior Site Engineer | Tier One Contractor | Dublin, Ireland

Senior Site Engineer | Tier One Contractor | Dublin, Ireland

- Senior Site Engineer opportunity with a leading main contractor.
- Work on major construction and civil engineering projects across sectors including Data Centres, Pharmaceuticals and Hi-Tech.
- Permanent position offering a competitive salary, company vehicle or travel allowance, pension and ongoing professional development.

Oradeo Recruitment is seeking an experienced Senior Site Engineer for a leading construction contractor, based in Dublin. This is an excellent opportunity to join an established project team, taking responsibility for the accurate setting out, coordination and monitoring of site works to ensure projects are delivered safely and to the required technical and quality standards.

Senior Site Engineer Responsibilities:

- Take responsibility for the accurate setting out, monitoring and coordination of works on site to deliver project objectives across Health & Safety, Technical and Design, Information Management and Quality.
- Liaise daily with the project team, design team and subcontractors.
- Monitor and record materials, plant and site logistics.
- Implement quality assurance procedures, including concrete pre- and post-pour checks.
- Manage Requests for Information (RFIs) and assist in resolving technical issues.
- Maintain accurate site records and reporting.
- Assist in maintaining and monitoring safe working practices on site.

Necessary Skills & Requirements:

- Relevant third-level degree.
- Minimum of 5 years' experience in a similar role.
- Previous experience working with a main contractor.
- Experience on construction or civil engineering projects, ideally within Pharmaceutical, Data Centre, Hi-Tech, Distribution or Warehouse sectors.
- Proficient in the use of GPS, robotic total stations and levelling equipment.
- Excellent IT skills, including knowledge of AutoCAD, Revit, Navisworks and Microsoft Office.
