

Site Manager | Leading Contractor | Dublin

Site Manager | Dublin

- One of Europe's top Main Contractors with significant annual turnover.
- Excellent career progression opportunities along with a generous package.
- Exposure to large, interesting and prestigious projects.

Oradeo Recruitment is presently seeking an experienced **Site Manager**; you will be responsible for the day-to-day management of a major construction site or a portfolio of smaller sites. This role is pivotal in ensuring that all projects are delivered safely on time, within budget, and to the highest quality standards. You will implement company procedures across the board while upholding the strictest health, safety, environmental, and quality protocols. On complex or multi-sectioned projects, you may work as part of a larger site management team or act as the lead responsible for the entire project.

Duties and Responsibilities:

- Day-to-day management, coordination and monitoring of the site labour force and specialist subcontractors
- Assist the Project team to monitor progress to meet agreed programme targets
- Ensure works are delivered to the highest possible quality standards
- Ensure compliance with Health and Safety regulations and company policies at all times
- Work closely with supply chain and subcontractors to maintain positive relationships and culture on the ground

Necessary skills and requirements:

- 7-10 years' Site Management experience
- Previous Main Contractor experience ideally large-scale commercial/residential/mixed-use development projects experience beneficial
- Third level qualification or Trades background (Excellent knowledge of

Trades)

- IT skills – knowledge of Microsoft software
- Excellent delegation and organisational skills
- Ability to work well within a team and to collaborate with others
