## Sub Agent | Shetland Islands

- **Market Leading Contractor**
- **Outstanding Career Growth Potential**

Oradeo Recruitment currently have an outstanding opportunity to join a market leading company as a **Sub Agent**. Leverage your existing experience on large civil engineering projects and join an industry thoroughbred with a strong pipeline of projects ready to go. You will be initially based in the Shetland Islands working on a wind farm project.

Fantastic progression opportunities as the company will invest in your future training by giving you exposure to projects and responsibilities you have previously not done.

### Duties and Responsibilities:

- Managing all aspects of site projects
- Striving to exceed customers' expectations and deliver an outstanding level of service
- Co-ordinating and supervising site-based activities
- Ensuring that all health and safety, as well as quality and environmental procedures are adhered to
- Identifying the resources required to successfully complete projects in a timely manner, including labour, plant materials and subcontractor
- Ensuring customer satisfaction is achieved and keeping customers updated with project progress.
- Preparing a cost plan for projects, monitoring budgets and creating

- contracts and construction programmes
- Compiling and presenting a monthly review that reflects the forecast level of project gross margins

**Necessary skills and requirements:**

- A third level degree in Engineering
- A minimum of 15 years' experience as a site engineer
- Experience of working on wind farm projects essential
- Experience working with a main contractor, subcontractor, surveying firm or similar preferred
- Experience of groundworks, drainage and reinforced concrete etc.
- Good understanding of Health, Safety and Environmental regulations
- Excellent communication skills
- Working knowledge in Microsoft Office, Project, PowerPoint etc.

**This is an excellent opportunity with an excellent remuneration package will be available to the right Site Agent. For more information about this Site Agent position or other opportunities, please contact Declan Duggan at Oradeo at the contact details below for confidential chat.**

**About Oradeo – Oradeo Recruitment are specialists in the construction & engineering sector.
